

Timpani

AUDITION INSTRUCTIONS

Thanks for your interest in #VirtualBand! Above you will find the audition music for timpani! Up to two timpanists will be selected for the orchestra. You may audition on as many instruments as you like. We look forward to hearing you play (:

STEP 1: Learn the audition music!

- You only need to play the music in the brackets.

TEMPO: Half note = 85

STEP2: Record your audition

- Record with your metronome set to the correct tempo. Make sure you can hear the metronome in your video. It's important for us to hear how well you can play along with it.
- Record using a device which captures your sound with good quality. Smart phones are usually sufficient.
- Your face needs to be visible in your video. We need to know it's you!

STEP 3: Submit your video

- Use the video submission widget on the "Auditions/Submissions" page at virtualband.org to send your video to us!

STEP 4: Wait for results

- A team of judges will judge the auditions and results are usually posted about one week after the audition deadline.
